Lifetime Limited Scratch Resistant Residential Warranty

Monolithic wood flooring is guaranteed to last a lifetime against household Water and Pet damage.

- ❖ For a Lifetime, under normal use, **monolithic wood flooring** will resist scratch damage from normal household use, and normal, day to day cleaning (see maintenance guide for instructions on how to properly clean this product). This product is rated heavy duty commercial for chair resistance, heavy duty commercial AC4 durability rating, and is heavy duty commercial for small ball and large ball test.
- ❖ **The Scratch Resistant Warranty** covers scratches that are visible from a standing position in normal lighting. This warranty is limited to replacing the damaged planks only – not the entire floor. No flooring surface is completely “scratch proof” quite yet – heavy enough objects will damage the floor if floor is exposed to abnormal situations, such as broken caster wheels from a chair, broken furniture with sharp edges that causes gauging, severe impact from heavy falling objects, sharp debris from the outside such as rocks that gouge the floor, or dragging extremely heavy furniture across your floor without any protection or padding used.
- ❖ **Here are some recommendations on how to avoid any type of scratching or gouging of your floor:**
 - Always use protective coverings on the feet of furniture, chairs and tables
 - Utilizing entry way mats used to limit the floors exposures to abrasive debris
 - Only used approved cleaning methods listed in your maintenance guide, do not use harsh products that will cause gauging
 - Prevent gouging by not carrying heavy static loads, heeled shoes, spiked shoes, metal cleats or skates on this floor

How is this different from our competition?

- ❖ Can be installed in any climatized room in your home including bath or kitchen
- ❖ Doesn't require you to caulk around the perimeter of your floor to maintain your warranty
- ❖ Allows you adequate time to detect pet accidents without voiding your warranty
- ❖ Allows you time to detect water spills without voiding your warranty
- ❖ Let your children actually play on the floor without voiding your warranty
- ❖ Easy installation with our locking system
- ❖ If damaged, a single plank can be replaced. No need to replace the entire floor.

Only the best floor in the market makes this Lifetime Guarantee.

General Terms and Conditions for Residential Limited Lifetime Warranties

Monolithic wood flooring and accessories carry the specific warranties listed above which are subject to the following general terms and conditions:

1. This warranty applies only to the person stated as the buyer on the purchase document(s) and is not transferable. This warranty applies only to first quality product purchases made after the edition date of this warranty when the product is installed in an indoor, climate controlled private residence and according to the **monolithic wood flooring** written installation instructions and must be maintained in accordance with **monolithic wood flooring** written maintenance instructions.
2. This warranty only applies to defects inherent to the material supplied. It includes the delamination or reduced resistance of the wear layer, but does not include, in beveled-edge products, wear along the edges of the planks less than 3/16" (5mm) from the edge. The lifetime locking warranty on the joint only applies to open joints greater than 0.01" (0.2mm). MANUFACTURER WILL REPAIR OR REPLACE THE AREA OF DEFECTIVE PRODUCT AT ITS OPTION. This warranty does not cover decisions related to applications, not all flooring materials are suitable for all applications, job sites, or installations. The manufacturer has no ability to inspect a job site, and determine if this product is the correct product for that specific installation or job site. This is solely the responsibility of the consumer and your local flooring professionals (retailers, installers, engineers, etc.).

When replacement of the flooring is made, only new planks from the current product range at the time the complaint is upheld will be supplied. There will be no other form of compensation. Responsibility under this warranty only applies to defects that were not visible before or during the installation of the product. If the product was originally professionally installed, MANUFACTURER will cover reasonable labor costs for any defective product AS PER THE PRO RATED SCHEDULE LISTED IN THIS WARRANTY.

3. This warranty does not cover damage to the product caused by installation errors. Flooring planks or accessories must be checked carefully for material defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The distributor or retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Color and gloss differences resulting from material added to an existing installation at a later date and from non- warranty repairs are excluded from coverage.
4. To qualify for any repair or replacement, buyer will need to provide the original dated sales receipt, run # listed on the carton, and other documentation as required by manufacturer.
5. The Limited Lifetime Waterproof, Petproof and Scratch Resistant Warranties do not apply to damage caused by events beyond everyday household spills, including but not limited to flooding, standing water, leaking pipes, mechanical, failures or appliance leaks. These events often contain contaminants that will damage or mar your floor. This warranty does not apply to product that has been put to abnormal use or conditions or abused in any way, which includes but is not limited to damage from smoke, fire, or other casualty events; damage caused by negligence; improper alterations of the original manufactured product; damage from use of the flooring that is unreasonable considering the normal and expected uses of a laminated wood floor in a residential environment; damage of mechanical nature, severe impact or scratches (caused by dragging objects or furniture) or cutting; damage caused by water or moisture trapped beneath the floor many times caused by improper subflooring or underlayment, including but not limited to damage from hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions that result in water or moisture beneath the floor. These events often cause mold, mildew, or other issues that can damage or mar your floor and also contain health risk that need to be properly addressed and cured.
 - A suitable mat or sufficiently large transition area at the entrance door(s) must be used to prevent sand and/or dust from damaging the flooring. Scratching during and after installation is not covered. For surface wear to be a warrantable occurrence, the surface wear- through must be readily visible in normal light and from all directions and from a distance of 6 feet and measure at least 1 square inch. Gloss reduction is not surface wear. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with castors must be fitted with soft rubber wheels (NOT PLASTIC), or an adequate protective mat or protective castor cups must be put under this furniture.
 - Underlayment: To have a valid Warranty, you must install attached underlayment or a manufacturer approved underlayment system under the flooring.
 - A polyethylene film vapor barrier is not required over subfloors, but moisture readings must be < 15% (tramex) throughout the entire installation. **Moisture readings in excess of 10% indicate the need for further inspection.** Levels between 15-30% indicate that there may be water ingress, meaning that remedial work could be required.

6. This warranty does not apply to damage from exposure to extreme heat (in excess of 120°) (residential homes with an operating climate control system should be fine), stains as a result of chemical or industrial products, or stains/smells caused by Pets to include but not limited to urine, feces, or vomit. Smells of any kind are not covered by this warranty. The flooring must be installed in a climate-controlled area and may not be installed in damp and/ or humid areas such as a sauna or pool room, in extremely dry areas. This warranty applies to flooring installed in a temperature range of -30 degrees Fahrenheit to 120 degrees Fahrenheit.
7. Please use Bona Hardwood Cleaner or Bona Laminate Cleaner on your floor. USING UNAPPROVED CLEANERS SUCH AS MURPHY OIL, FLOOR POLISH, SHARK STEAMER, ETC. – THESE PRODUCTS CAN LEAVE RESIDUE ON YOUR FLOOR THAT MAY NOT COME OFF AND/ OR MAY CAUSE YOUR FLOOR TO MAR OR DELAMINATE.
8. MANUFACTURER WILL EXCHANGE, AT NO COST TO THE CONSUMER, ANY PLANK THAT THE CONSUMER, INSTALLER, OR RETAILER REASONABLY OBJECTS TO BEFORE INSTALLATION. IT IS THE CONSUMER'S, INSTALLER'S, AND RETAILER'S DUTY TO INSPECT THE PLANKS BEFORE THEY ARE INSTALLED. THE CONSUMER, INSTALLER, AND RETAILER AGREE THAT BY INSTALLING A PLANK, THEY HAVE ACCEPTED THE COLOR, GLOSS AND ALL OTHER VISIBLE ASPECTS OF THE PLANK AND ANY WARRANTY CLAIM, EXCEPT FOR STRUCTURE, FINISH, OR WEAR WILL BE DENIED.

15-YEAR LIMITED LIGHT COMMERCIAL WARRANTY

For commercial installations as listed below the product is warranted to be free from manufacturing defects and will not wear through the printed image for 15 years from the date of purchase, if installed according to the monolithic wood flooring installation instructions and the monolithic wood approved application has been completed and emailed to TrueTouch Floors. If a defect covered by this warranty is reported to TrueTouch Floors in writing within 15 years of purchase, TrueTouch Floors will supply new material of the same or similar grade sufficient to repair or replace the defective material.

For commercial applications, this product is intended to be installed in: Privately owned businesses, multifamily units, common areas of activity centers, day cares, doctor/dentist offices, retail shops, restaurants as sales floors, dining areas, common areas, activity areas, corridors, and residences. The following applications are not intended as commercial applications and are not covered: anywhere commercial cleaning machines will be used, assisted living facilities, short term rentals of less than 150 day terms, large commercial applications (educational, hospital, health care) or any applications over 3,500 square feet in a single location.

What will TrueTouch Floors do if any of the above happens?

If any of the above should occur within the warranty periods specified above, TrueTouch Floors will, at our option, furnish comparable TrueTouch Floors flooring of similar color, pattern, and quality, for either the repair of the defective area or the replacement of the floor. And, if your floor was professionally installed, for any defect reported: in the first year TrueTouch Floors will also pay reasonable labor costs for the direct repairs or replacement of the flooring only. In the second year TrueTouch Floors will also pay 50% of reasonable labor costs for the direct repairs or replacement of the flooring only. In the third year TrueTouch Floors will also pay 25% of reasonable labor costs for the direct repairs or replacement of the flooring only. After the third year TrueTouch Floors will not pay any labor cost. TrueTouch Floors will not pay for the following cost including but not limited to removal or tear out of old or damaged product, any cost associated with moving of cabinets, furniture, walls, doors, paint, rugs, etc. TrueTouch Floors will not replace or repair a floor discolored by mold, mildew, or alkali. Moisture will not affect the structure of the plank, but may discolor the product which is not covered by this warranty.

What is not covered by this warranty?

- Damage caused by fire, flooding, or intentional abuse.
- Damage caused by vacuum cleaner beater bar, caster wheels, and cutting from sharp objects or objects not properly protected to include high heels, spiked heels, and rolling loads. - When vacuuming, we recommend using the wand attachment on your vacuum. - Because rolling casters can damage the floor, we do not recommend them.
- Loss of gloss/scratching. - If some dulling occurs over time, depending on the amount of traffic, care and maintenance the floor receives, restore the floor's shine, use an approved Low Gloss Floor Finish.
- Minor color, shade, or texture variations between samples or printed color photography and the actual material.
- Floors that are not graded "regular."
- Floors that are installed in other than owner-occupied or tenant-occupied residences with leases greater than 150 days.
- Construction or installation-related damage to include failure due to subfloor, hydrostatic pressure, moisture, or alkalines.
- Floors discolored from moisture or underlayment panels after having been repaired or replaced by TrueTouch Floors one time. (repair or replacement (in square footage or value) of 50% of the purchased material terminates this warranty and relieves TrueTouch Floors of any future liability of any and all types relating to this purchase).
- Floors damaged by excessive moisture from sources such as flooding.
- Installation defects and installations caused by not using the recommended TrueTouch Floors products. Both parties agree that any finding of this cause of damage by an independent certified inspector terminates warranty.

- Damage caused by abuse such as moving appliances across the floor without adequate protection, -When moving appliances or heavy furniture, lay a plywood panel on your floor and “walk” the item across it. This protects your floor from scuffing and tears.

What is excluded from this warranty?

TrueTouch Floors excludes and will not pay incidental or consequential damages under this warranty. By this we mean any loss, expense, or damage other than to the flooring itself that may result from a defect in the flooring. No implied warranties extend beyond the terms of this written warranty. Please note: Some jurisdictions do not allow exclusion or limitations of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. Also note: This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction.

We recommend using floor protectors. As a rule of thumb, the heavier the item, the wider the floor protectors should be.

* Wear-through is defined as loss of the floor design due to normal household use.

What should you do if you have a problem?

We want you to be happy with your TrueTouch Floors floor. If you're not, call your retail store. They can answer your questions and, if necessary, start to process a claim. PLEASE KEEP YOUR RECEIPT. TrueTouch Floors needs the receipt in order to verify date, proof of purchase, and original purchaser to resolve any problems that may occur.
