

Key Features for the Castle Collection: 5 White Oak SKUs

- 3.5mm SolutionCore technology; rated at 1210 PSI
- 1.5mm LVT top with a 20mil Embossed-in-Register wear layer, which allows for a more natural appearance with comfort and quietness underfoot.
- All films are 100% exclusive High Resolution Images, which provides the most realistic appearance available. (NOT FREE MARKET PRINTS)
- 1.5mm IXPE attached pad that is formaldehyde free, waterproof, and will help prevent telegraphing from below.
- 2G/5G-i advanced locking system with push down technology for 50% faster installations that help save time & money.
- 10+ pattern repeat
- 6' lengths with beveled & painted edges
- Green Guard Gold & Floor Score Certified

Note: For this product, we focused on making something truly unique and 100% exclusive to the Adleta brand. This collection is packed with all the bells & whistles necessary to give it a competitive advantage in an exploding flooring category. It is designed to look and feel as close to real wood as possible, yet give the installer the ability to get the job done quickly with one of the most advanced locking systems currently available in the market.
